

Help ISSA Submit a Cleaning Week Proclamation for Your State

March 27-April 2 is [National Cleaning Week](#)--a time when the entire cleaning supply chain celebrates the value of clean! Help ISSA raise public awareness about the value of clean by submitting a proclamation to designate an official week of cleaning for your state.

Nearly every state has an online proclamation form that a resident of that state can submit free-of-charge. ISSA has already written a template proclamation (see below), but we need your help submitting the proclamations by **February 11**. Help us reach our goal of designating a cleaning week in all 50 states! If you're interested in helping ISSA with this campaign and/or have questions regarding National Cleaning Week, please [contact](#) ISSA Government Affairs Coordinator Stacy Seiden.
